Subject: Wyoming State Office Fire/Aviation Contact List

Based on personnel changes over the past year and staffing reductions, the Wyoming State Office has developed an updated list of fire, fuels, and aviation sub-program leads and contacts to better support Field Offices. The Wyoming State Office Branch of Fire, Fuels, and Aviation has made this effort to provide Field Office users with the highest level of service by providing you with direct access to appropriate program personnel. Please direct your questions and correspondence to the individual(s) listed below.
